About Us

The resident community of Heartland Farm is committed to a strong Care of Earth ethic. This is expressed through choices both personal and communal which respect the health of the planet.

The farmstead complex includes a guest house for individuals or small groups, homes for the resident community, a 100-year-old barn, office space, a massage studio, gift shop, and spaces

for our alpacas and chickens. A straw bale arts studio includes a pottery and fiber arts space and a more remote straw bale hermitage offers off-the-grid solitude.

How to find us: Though we have a Pawnee County address, we are really located in Rush Co. From Great Bend, Take 10th St. west from Patton Rd. (4-way stop) which becomes Barton Co. Rd. west for 13 miles. When it enters Rush Co., it is a gravel road. Continue to the first crossroad, CR 390, turn left (south), and go 1/2 mile to our mailbox on the right side, and turn right on our driveway. Please check our website or call or email for directions from other locations.

FiberSpace 2025 is for all levels—beginners to advanced. Come and learn another fiber art or just get started. This year we will offer all of the fiber skills at both sessions: knitting & crocheting & spinning & weaving & tapestry weaving—you choose one.

Enjoy 1:1 instruction as well as the camaraderie of other fiber folks. You may enroll in one or both of the

monthly sessions, and either continue with the same skill or learn another. This can be a great opportunity for mothers and daughters—and men are welcome too!

Call or email ahead to reserve your spot!
