

# ADVANCED GARDENING

## For High School Students

Saturday, May 11th  
8am- 4pm

Calling all high school students who want to build the confidence, knowledge and skills to advance their gardening abilities.

Start the day with an overview and then get to gardening with hands on practice!

**What will be covered:**

starting seeds, building compost, bed preparation, watering techniques, crop selection, transplanting and more

Dominican Sisters of Peace  
Sisters and Associates in Mission
